Honorable Commissioner
for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In the above case Applicant has filed two amendments that were not entered and is submitting a third proposed amendment.

Applicant requested that the fee of \$129 (that was paid with the first amendment that was not entered) be charged to a credit card. The patent office did so charge that fee of \$129 to the credit card even though the amendment was not entered, as shown by the enclosed statement rendered by Bank One (see Exhibit A) attached.

Applicant submitted a check (a copy of which is Exhibit B) with the second amendment that was not entered. Applicant does not know if this second check was cashed.

Applicant requests that if for any reason a fee is

due or if there has been an overpayment that the fee be
charged or credited to account 50-0555.

Respectfully submitted,
